All UCD undergraduate students are welcome in Specialist Office Hours. There is no need to make an appointment, please come by. Office Hours are a great place to:

- Ask a question about a topic you saw in lecture
- Get advice on how to study the material you are working on
- Listen to questions other students have
- Work quietly on your own
- Meet other students in your class and form study groups
- Get help with part of a problem you are stuck on in a specific problem or assignment
